

**REMARKS**

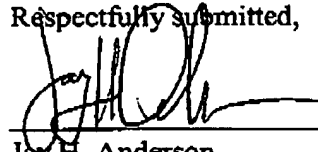

This application and copending Application 10/707,759 were both filed on January 9, 2004. The applicants wish to provide a revised cross-reference to the related application. Specifically, the related application is now identified by its U.S. Application Number rather than an attorney docket number.

This change is made in the interest of facilitating reference to the related application. No change to the disclosure of the present invention or to the scope of the claims is intended.

Favorable review and early passage to issue of the present application is respectfully requested.

The applicants' undersigned attorney may be reached by telephone at (845) 894-3667. All correspondence should continue to be directed to the below listed address.

Respectfully submitted,

Jay H. Anderson
